Issued as of 9:15 p.m.

Call 511 for road information

Hwy 200 from Bowden to junction of Hwy 52 closed; Water on roadway near Linton and Napoleon

According to the North Dakota Department of Transportation, **N.D. Highway 200** from Bowden to the junction of U.S. Highway 52 is closed. A detour route for west bound traffic is Highway 52 north to Harvey then south to Highway 3, and the reverse route for east bound traffic.

Water is on the roadway, but traffic will still be allowed on **N.D. Highway 3** north to Steele. Flaggers will be in place to direct traffic. **Interstate 94** has one lane closures approximately two miles east of Steele.

There is intermittent flooding, but traffic is still allowed on the following roadways:

- Highway 34 from the junction of US 83 to the junction of Highway 30 near Napoleon
- All state highways in the Linton area

Motorists are encouraged to check road conditions before traveling due to rapidly changing conditions. Fluctuating water levels make it difficult to predict when and where water will go over a roadway or recede from the roadway.

For road information, call 511 from any type of phone or go to the website: www.511.nd.gov for road and weather conditions.
